4

< 4. Click on SIP Account

5

< 11. Press to save when done

< 5. Enter "Procall"

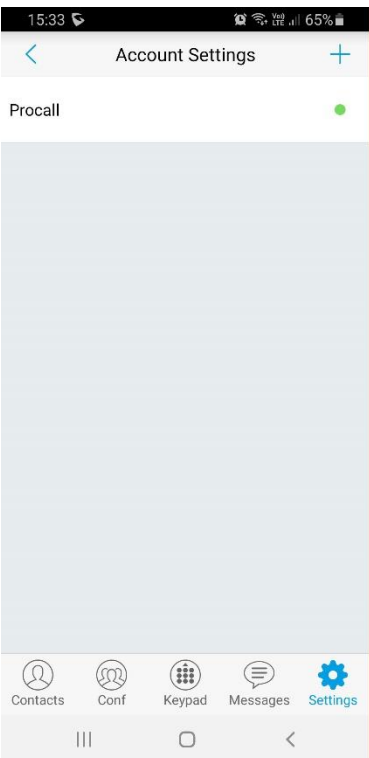

< 6. Enter "sip.procall.nz"

< 7. Enter your username

< 8. Enter your username

< 9. Enter your password

< 10. Enter your name

6

< 12. The dot should turn green if registered successfully. Check settings if the dot is red.

< 13. Press Keypad to start making calls.

Important Note

To ensure that you can receive calls the GS Wave App needs to be active.

This is usually not a problem if the app is used regularly but please check from time to time that the icon is visible on the top of the screen. To activate the app just open it.
